

Membership Application Form

Why become a member?

Homelessness NSW is a broad based peak body representing and supporting homeless services. We are committed to improving responses to issues associated with homelessness through advocacy, promotion of equity and the sharing of information.

Members receive regular information regarding key activities and events occurring within the homelessness sector, newsletters, information bulletins and mailouts. Regular general meetings also provide the opportunity to have an active say on key issues and concerns impacting on your service and homeless people.

Homelessness NSW has representation on key committees and homelessness bodies in NSW and nationally and has the opportunity to broadly represent the views and needs of the adult homelessness sector.

Membership provides opportunities to participate in various policy development and other committees and provides you with an active voice in lobbying to improve the service response to homeless people.

Types of membership available

How to apply

A letter or other documentation outlining the work undertaken by your organisation should be submitted with this application form. Your application will be considered and approved by the Board of Management. If it is felt that your organisation does not satisfy Homelessness NSW membership criteria, we shall return your cheque immediately.

Full Membership

Agencies involved in providing support services that work with homeless people are eligible for full membership. Full membership entitles the agency to a vote on all Homelessness NSW matters.

Associate Membership

An Associate Member may be a government, corporate, academic or other organisation or individual that agrees to abide by the vision and mission of Homelessness NSW. Associate members are not eligible to vote or become a member of the Board.
